

Dear Families,

Welcome to Royal Oak GSRP! Please complete these required developmental screening surveys. This is one more step in the GSRP enrollment process. By completing these surveys you are helping us prepare for your child. We will use these results throughout the school year to help guide their learning at school as well as help you support their learning at home. **Please complete the screening surveys by September 1st.**

Social & Emotional Developmental Survey:

Because your child's first 5 years of life are so important, we want to help you provide the best start for your child. You've been invited to participate in an Ages & Stages Questionnaires®: Social Emotional, Second Edition (ASQ:SE-2™), online screening to provide a quick check of your child's social and emotional development. You will be asked to answer questions about some of your child's behaviors. The questionnaire includes questions about your child's ability to calm down, take direction and follow rules, communicate, perform daily activities (e.g., eating, sleeping), act independently, demonstrate feelings, and interact with others.
